

UNIVERSITI TUNKU ABDUL RAHMAN (UTAR)

Universiti Tunku Abdul Rahman (UTAR), wholly-owned by UTAR Education Foundation, was founded in June 2002 as a not-for-profit private higher education institution in Malaysia.

To date, the University's enrolment has reached more than 23,000 students with campuses located in Bandar Sungai Long, Kuala Lumpur and Petaling Jaya in the Klang Valley, Malaysia and the main campus in Kampar, Perak, State of Malaysia.

The University currently offers more than 110 academic programmes (Bachelor, Masters and PhD) spread across nine faculties, three centres and three institutes. The programmes offered are in the fields of Accountancy, Actuarial Science, Agriculture, Arts, Business and Economics, Creative Industries and Design, Engineering and Built Environment, Information and Communication Technology, Life and Physical Sciences, Mathematics and Process Management, Medicine and Health Sciences, and Social Science and Education.

The University is committed to promoting research and scholastic development in diverse fields through its research collaborations with other universities.

This is evident through the setting up of 25 research centres at the University and the establishment of the UTAR Global Research Network – a platform for UTAR faculty members to network for research purposes, with academics, researchers and technologists from all over the world.

To date, the university has established formal collaborations to facilitate international exchanges, research and training with a total of 159 institutions / organization consisting 99 foreign and local institutions of higher learning and 59 local and foreign industry partners.
