National Chiao Tung University (NCTU), Taiwan

NCTU Challenges Tomorrow University

Cradle of Next Generation Leaders

NCTU is a comprehensive university which offers interdisciplinary and holistic education and provides a stimulating environment for students to develop critical and creative thinking, communication, and teamwork skills.

A Forerunner of Advanced Science and Technology

NCTU encourages interdisciplinary collaboration to develop integrative solutions to enhance the welfare of human beings. It also plays a leading role in Taiwan's ICT industries.

Culture of Innovation and Entrepreneurship

NCTU's innovation performance, in terms of the number of patents and technology licensing, has been recognized by the academic community and high-tech industries in Taiwan. NCTU students have won many innovation awards in numerous international competitions, such as the Microsoft Imagine Cup World Competition in both 2010 and 2013.
