

**National Dong Hwa University (NDHU)***From the East to the Best*

National Dong Hwa University is a research-based, teaching-oriented institution with great promise and potential in many areas. Through the steady addition of new academic programs, National Dong Hwa University currently consists of 8 colleges: the College of Humanities and Social Sciences, the College of Science and Engineering, the College of Management, the College of Indigenous Studies, the Hua-Shih College of Education, the College of Fine Arts, the College of Environmental Studies, and the College of Marine Sciences. Moreover, the University houses a wide range of interdisciplinary research centers ultimately catering to a student body of over ten thousand. We are fully convinced that National Dong Hwa University will attain its ultimate goal of becoming one of the finest institutes of higher learning in Taiwan - if not all of Asia and the rest of the world - in the years to come.
