Southern Taiwan University of Science and Technology (STUST)

*A leading tech-university with remarkable academic research, industry-academia,
international collaboration*

Founded in 1969, STUST currently has 4 PhD programs, 32 Master degree programs and 24 Bachelor degree programs in four colleges: the College of Engineering, the College of Business, the College of Humanities and Social Science, and the College of Digital Design. There are 18,152 students in all and about 569 faculty members. What's more, we place a high priority on globalization; and, thus, we are engaged in several collaboration programs with universities abroad. Up to now, we have established academic relationships with 165 universities around the world. For the past six years, the performance of this University has been rated as outstanding by Taiwan's Ministry of Education. Especially, in 2012 and 2013, STUST was elected as a "Paradigm Technology University" by Ministry of Education. This is because we not only encourage our students to pursue knowledge in class but also emphasize an independent thinking and hand-on learning experiences.
