D	Advanced Optoelectronic Technology Center	Photovoltaic Power System	(a)MEKHILEF SAAD	University of Malaya
			(b)Abd Rahim Nasrudin	

Important Notice:

1. One Co-PI of each SATU partner university is welcome to visit the host center of National Cheng Kung University once (3 days 2 nights) before October 2012. The maximum support of flight ticket (round-trip) for one Co-PI is up to NTD 20, 000 (about USD 677), economy class. If the ticket price is lower than NTD 20,000, the support will be on the actual price shown on the purchasing receipt.
2. The accommodation (2 nights) will be booked by SATU International Secretariat. Please inform the arrival date of the Co-PI by each center before 4-8 weeks to make the room reservation.

*Please be sure to keep the E-ticket, boarding pass and purchasing receipts for verification.

The details will be individually sent by e-mail to each center and recipient.
